

The Village of TiNY TOWN

DeSoto Cares is planning a community of tiny homes in Arcadia, Florida to provide housing for the homeless. Each home is 160 square feet and is fully furnished and complete with all home needs.

Who Will Live in Tiny Town?

- Those who lack adequate nighttime residence
- Those who will shortly lose their primary nighttime residence
- Unaccompanied youth 18 – 25 years of age, or families with children and youth, who have not had a permanent residence in the last 60 days
- Those recently fleeing domestic violence

A Recent Point in Time Survey Revealed

- Half reported staying in non-habitable places (Street, Cars, Sheds, etc.)
- Two/Thirds of those responding were women
- Half reported not having a place to live for over a year.
- Almost half reported loss of employment as their main cause of becoming homeless
- More than half reported needing clothing, food and housing services

Why Tiny Town?

DeSoto Cares about all of our people. Out of 6 Counties in the Heartland area, DeSoto County has zero (0) homeless shelters. Per capita, we have the largest population of homeless individuals; the need is great.

Can you help?
